

STATEMENT OF AGAPE COMMITMENT

I, _____, by the grace of God choose to love you, _____, with God's agape love. And I, _____, by the grace of God choose to love you, _____, with God's agape love. This means that whatever I do I want it to be in your highest good - what I think, what I say, in the decisions I make, and in the way I act.

Because I am human I may fail, but that is not my intent. If I do fail in some way, please tell me the truth in agape (love). By the grace of God I will make it right.

I choose to be your partner, lover and God's instrument of healing in your life. I need you to be God's instrument of healing in my life and to help me be accountable in my daily lifestyle so we can finish well.

I want and have asked the Holy Spirit to change my heart (thinking content and process, emotional focus, and decision-making patterns). By His grace I am determined to become the person He wants me to become and to do the things He wants me to do.

Obedience in all these matters is success.
